Dale Portman

These stories of crime and rescue, by retired park warden and dog trainer Dale Portman, highlight the vital role dogs play in saving lives, upholding the law and recovering bodies. Portman describes the escapades of Canadian Rockies park warden Alfie Burstrom and his canine partner, Ginger—the first certified avalanche search team in North America—as well as his own adventures tracking down criminals and missing persons with his German shepherd, Sam. Reading these stories of working dogs will give you a new appreciation of the important roles they play and how they really are our silent heroes.
