Alice Archer Sewall James—known affectionately as “Archie”—lived a life that most women of her time could only dream about. Educated from a young age and encouraged by her family to express herself in all forms of art, she grew into an irrepressible woman who never stopped looking for ways to pass her experience on to others.

This biography traces her life from her childhood in Urbana, Ohio, to teenage years spent traveling in Europe, to her challenging marriage to John H. James, heir to a family fortune built by his entrepreneurial grandfather of the same name. Her father, Swedenborgian minister and educator Frank Sewall, was her greatest fan, supporting her in good times, as she started to build a reputation as a painter and illustrator, and in bad, as poor health forced her to abandon her art and put a strain on her personal relationships. In later years, however—like the roses in the title poem—she reemerged as an artist and as a teacher, inspiring a new generation of painters at Urbana University.

While Archie’s Swedenborgian heritage gave structure and meaning to her life, it was her inner creative drive that truly touched others. *Stay by Me, Roses* opens a window on the life and times of a unique nineteenth-century woman.
