The Highlands

Calum Maclean

The Highlands Calum Maclean

In a new edition of this classic book, introduced by the world-renowned Gaelic poet Sorley Maclean, the late Calum I. Maclean, a Gaelic-speaking Highlander, interprets the traditional background, culture and ways of life of his native country. Calum's formal training in folk culture and the depth of his local knowledge make this book truly outstanding - it is written by a Highlander from the inside.

Many books on the Highlands have been penned by outsiders with an uncritical appreciation of the scenery and only the most superficial knowledge of the Gaelic language and culture. By contrast, Maclean brought informed attitudes and sympathetic opinions. He was concerned not so much with places, beauty spots and scenery as with the Highlanders in their own self-created environment. He writes in terms of individuals and suggests reasons why Highland culture is unique in the world - it is something that, if lost, can never be recovered or recreated.

From reader reviews:

Jessica Garcia:

Reading a e-book tends to be new life style with this era globalization. With examining you can get a lot of information which will give you benefit in your life. Having book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their own reader with their story or maybe their experience. Not only situation that share in the ebooks. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors in this world always try to improve their talent in writing, they also doing some research before they write for their book. One of them is this The Highlands.

Annette Spafford:

People live in this new time of lifestyle always try and and must have the extra time or they will get lots of stress from both day to day life and work. So , whenever we ask do people have free time, we will say absolutely of course. People is human not a robot. Then we inquire again, what kind of activity are there when the spare time coming to an individual of course your answer will certainly unlimited right. Then do you try this one, reading guides. It can be your alternative throughout spending your spare time, the actual book you have read is The Highlands.

Warner Gomez:

The Highlands can be one of your beginner books that are good idea. All of us recommend that straight away because this book has good vocabulary that will increase your knowledge in language, easy to understand, bit entertaining but still delivering the information. The copy writer giving his/her effort that will put every word into joy arrangement in writing The Highlands but doesn't forget the main level, giving the reader the hottest in addition to based confirm resource facts that maybe you can be considered one of it. This great information may drawn you into brand new stage of crucial considering.

Delois Dionisio:

Are you kind of busy person, only have 10 as well as 15 minute in your day time to upgrading your mind skill or thinking skill possibly analytical thinking? Then you have problem with the book when compared with can satisfy your short space of time to read it because all this time you only find publication that need more time to be read. The Highlands can be your answer as it can be read by a person who have those short free time problems.
