## **To the Scaffold: The Life of Marie Antoinette** Carolly Erickson

One of history's most misunderstood figures, Marie Antoinette represents the extravagance and the decadence of pre-Revolution France. Yet there was an innocence about Antoinette, thrust as a child into the chillingly formal French court.

Married to the maladroit, ill-mannered Dauphin, Antoinette found pleasure in costly entertainments and garments. She spent lavishly while her overtaxed and increasingly hostile subjects blamed her for France's plight. In time Antoinette matured into a courageous Queen, and when their enemies finally closed in, Antoinette followed her inept husband to the guillotine in one last act of bravery.

In *To the Scaffold*, Carolly Erickson provides an estimation of a lost Queen that is psychologically acute, richly detailed, and deeply moving.
