Arian's Angel

Tara Nina

Arian's Angel Tara Nina

When burned-out action star Arian Adams arrives at his parents' home, he stumbles into bed and lands in the arms of a mysterious stranger named Angel. Their connection appears to be fated, bringing to life the predictions of his agent-manager—danger and an angelic beauty will be his next great adventure. Shaken by visions of his astrological sign drinking from the water of Aquarius each time he touches Angel, Arian's strong belief in astrology warns him—she's his Venus, his life mate. But she can't be, he knows nothing about her other than she's beautiful and makes him aroused just by standing near him. Though Arian wants her, he's got one big problem—not knowing her past. Angel is on the run, desperately hoping to evade her past. She seeks solace in a small town named Chance, hoping the town's name will signal a normal life. But it's far from normal when a gorgeous hunk jumps in her bed and ignites an insatiable need for hot sex. Though Angel wants him, keeping her secrets from Arian could destroy their connection forever.

From reader reviews:

Jessica Lantigua:

Do you one among people who can't read pleasurable if the sentence chained inside the straightway, hold on guys that aren't like that. This Arian's Angel book is readable by you who hate those perfect word style. You will find the data here are arrange for enjoyable looking at experience without leaving perhaps decrease the knowledge that want to give to you. The writer associated with Arian's Angel content conveys objective easily to understand by lots of people. The printed and e-book are not different in the written content but it just different such as it. So , do you nevertheless thinking Arian's Angel is not loveable to be your top record reading book?

Sylvia Cunningham:

This book untitled Arian's Angel to be one of several books that best seller in this year, that's because when you read this e-book you can get a lot of benefit onto it. You will easily to buy that book in the book shop or you can order it via online. The publisher with this book sells the e-book too. It makes you more easily to read this book, since you can read this book in your Smart phone. So there is no reason for you to past this publication from your list.

Steven Delorme:

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to presently there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Arian's Angel can make you sense more interested to read.

Keith Robertson:

Reading a reserve make you to get more knowledge from this. You can take knowledge and information from the book. Book is published or printed or created from each source that filled update of news. Within this modern era like at this point, many ways to get information are available for a person. From media social such as newspaper, magazines, science e-book, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Isn't it time to spend your spare time to open your book? Or just looking for the Arian's Angel when you needed it?
