Dining Out is an Adventure Janet Wilson

Janet Wilson is a native of Chattanooga, Tennessee, having grown up just across the state line in Ft. Oglethorpe, Georgia. She and her husband, Wayne Keith, owned and operated a restaurant review web site (Chattanooga Dine Out), featuring reviews of restaurants in Chattanooga and the surrounding area. They have also been featured in local print media as well as on the Internet. During their tenure, the couple kept the area abreast of their personal experiences regarding food, service and cleanliness at each restaurant. This book is written (as were their articles) for the average, working-class person using excerpts taken from actual reviews. Some stories will tickle your funny bone, while others will make you sit up and take notice that you do not have to settle for inferior food and service. As a customer, you are spending hard-earned money and should get what you pay for. On the other side of the coin, it also serves as a tool for restaurants in their quest to satisfy the customer. Numerous restaurants asking permission to use different reviews as a teaching guide for their employees have contacted Janet, and hopefully this book will lend a hand in that training.
