**Heart of Steel (Steel Hawk)** Eve Devon

*Colleague, friend, lover...beautiful liar?*

*Steel Hawk, Book 2*

Adam Steel is in crisis mode. A recent exposé claims a founder of Steel Hawk was actually The Raven, an infamous jewel thief. Amid the ensuing damage control, all eyes are on his ability to develop a prototype to secure and protect the royal Pasha Star diamond.

He's further blindsided when he learns his assistant, Honeysuckle Hawk, has a sordid past he never knew about. Proving he never really knew her, never should have trusted her, and *definitely* shouldn't start falling for her.

With her dirty laundry flapping in the media storm, Honeysuckle's first instinct is to run. Two things make her stay: Adam's insistence it's better to show the world a united front, and her heart's insistence by his side is where she belongs.

High stakes and long hours ignite passion...until the diamond is stolen and Adam's own prototype shows Honeysuckle is a thief. Dare he trust her to help him expose the real criminal—before the mastermind wreaks havoc on the royal family?

*Warning: Contains an über-hot, alpha-geek who's good with his hands, a sassy reformed-rebel determined to prove she's not a flake, romantic castles, gorgeous jewels, sleek and sexy technology, heart-pounding suspense...oh, and nipple tassels!*
