Life, Libby, and the Pursuit of Happiness Hope Lyda

From the author of *Hip to Be Square* comes an urban tale of Libby Marshall, whose life seems to be going the wrong direction. She creates trip itineraries but never travels. She wants to attend church but winds up at a bookstore on Sundays. She longs for a love attraction yet settles for a “like” distraction.

But when Libby receives a demotion instead of her overdue promotion, she vows to start living intentionally. Yet just when she is trying to be authentic, she is asked to keep a huge secret to redeem her career. Will a genuine life ever be within reach? And will Libby ever have enough faith to believe that happiness can be found in the detours.
