The Boids are back in town ...

The follow-up to the award-winning EXTINCT BOIDS, this book features more of the incredible art of cartoonist Ralph Steadman. This time the focus is not on the birds that are gone, but the ones that there's still time to save. These are the 192 Critically Endangered birds on the IUCN Red List, species such as the Giant Ibis, the Kakapo, the Sumatran Ground-cuckoo and the iconic Spoon-billed Sandpiper ? these, along with a number of classic Steadman creations such as the Unsociable Lapwing, are the NEARLY-EXTINCT BOIDS.

Woids are again by author, conservationist and film-maker Ceri Levy. Together, Ceri and Ralph are THE GONZO VATIONISTS.
