Every day is full of "what would you do?" moments. They can be as simple as times when you're considering whether to bother saying thank you to the taxi driver before getting out of the cab. Or they can be more complicated, such as when you've witnessed discriminating mistreatment of someone and you have to decide whether to speak up. We've all been there. *What Would You Do?—Doing the Right Thing Even When You Think No One's Watching* is full of real-life stories and staged ones from the highly rated ABC News program. Author John Quiñones takes readers on a journey of self-discovery and inspires them to act in ways they would if they thought a hidden camera was focused on them.
