In my book, "Being Transparent" my goal is to effectively explain how choices affected my life; and how by allowing God to work in my life, literally changed every aspect of it. My hope is that "Being Transparent" will resonate with each reader and they can find true Spiritual value and substance in every word. I pray that by example, my life can be a bridge that might bring them closer, in relationship to God. In order to write this book, I had to be vulnerable and transparent. Even though my writing is far from perfect, the miraculous things that God changed in my life are indeed incredible. I hope that you find my story inspiring, God bless you.
