Unexpected Love

After losing her high-powered job, Olivia Scott finds herself back home in Colorado. She never imagined she'd be taking care of kids, let alone being the nanny to longtime crush Dr. Connor Mitchell's adorable twin girls. But what began as a favor to the handsome widower is growing into something more. Connor's confused by his growing feelings for his best friend's little sister. She's become a beautiful woman with a caring soul, but he can't risk his—or his girls'—heart. Olivia's planning to head back to her city life. Unless this small-town doctor can convince her to stay...forever.

Village Green: Offering love, faith and a place to call home in Colorado
