Praemonitus - L'ombra del destino (Italian Edition) Giulia Rizzi

La principessa Ileana ha compiuto la propria missione: sottrarre al malvagio Pentorius la pericolosa creatura che tiene prigioniera. Suo padre, re Herwig, la attende a Naiade per l'esecuzione. Porre fine alle pene di quell'essere è l'unico modo per proteggere l'Unione dei Cinque Regni dai suoi poteri oscuri. Qualcosa, però, trattiene Herwig. Una voce gli ha parlato attraverso il dono tramandato dai suoi avi, gli Indovini di Tiresia. Al re non resta che ringraziare la creatura e assecondare il fato ospitandola a palazzo. Nessuno potrà sospettare qualcosa, perché colei a cui interi Regni danno la caccia non è altro che una semplice bambina. Il Dottor Gedeon, medico e studioso dell'occulto, riesce con un incantesimo a cancellare la memoria della piccola e sopirne i poteri, così da consentirle di iniziare una nuova vita con il nome di Cassandra. Il tempo trascorre in fretta, ma non si può sfuggire in eterno all'ombra del destino. I sentimenti che Damian, il figlio di Herwig, nutre per lei si fanno sempre più intensi, tanto da fargli perdere la ragione. A causa della propria gelosia rischierà di mettere in pericolo la vita della ragazza e l'intero Regno. Pentorius, infatti, è a un passo dalla verità e non è il solo deciso a impadronirsi di quegli oscuri poteri. Fra battaglie, tradimenti e amori proibiti distinguere il bene dal male diventerà sempre più difficile. "L'ombra del destino" è il primo romanzo della duologia "Praemonitus".
