Precancerous Conditions and Lesions of the Stomach

Precancerous Conditions and Lesions of the Stomach

In this book, precursors of gastric cancer are described histopathologically, especially about the precancerous conditions and precancerous lesions of the stomach. In addition to those precancerous changes stated in previous monographs and textbooks, some newly recognized gastric dysplasias are proposed. In order to be able to objectively evaluate the atypism of dysplastic changes, achievements of morphometric studies were presented.
