The President's Private Eye: The Journey of Detective Tony U. from N.Y.P.D. to the Nixon White House Stuart A. McKeever

The President's Private Eye is a passage into history, a unique episodic memoir that tells about the desire of a Polish kid from New York's Lower East Side who wanted to become a cop and where that career took him--to the position of being the only private detective ever hired to work for a President of the United States. And now, along with never-before-seen documents, including key memos from the Nixon White House, Tony Ulasewicz tells his story.
