Daughters of the Ark Anna Morgan

A coming-of age story about two girls, separated in time by thousands of years, who are forced to leave their homes. In 1984, a young girl named Debitu and her two brothers set out by foot on a treacherous journey through the mountains of Ethiopia and the deserts of the Sudan. They must deal with bandits and famine before they ultimately reach Jerusalem, their ancestral home. 3,000 years earlier, during the rule of King Solomon, Aleesha and her family are sent from Jerusalem to join the Queen of Sheba in Ethiopia. Bridging the two eras is the story of an emerald stolen from the ancient Holy Ark in King Solomon's Temple and brought to Ethiopia. As Debitu and Aleesha journey towards new homes and new lives, they encounter adventure and overcome challenges on their way to becoming independent and self-reliant young women.
