**Doomed** Chuck Palahniuk

**Madison Spencer, the liveliest and snarkiest dead girl in the universe, continues the afterlife adventure begun in Chuck Palahniuk's bestseller *Damned*. Just as that novel brought us a brilliant Hell that only he could imagine, *Doomed* is a dark and twisted apocalyptic vision from this provocative storyteller.**

The bestselling *Damned* chronicled Madison's journey across the unspeakable (and *really gross*) landscape of the afterlife to confront the Devil himself. But her story isn't over yet. In a series of electronic dispatches from the Great Beyond, *Doomed* describes the ultimate showdown between Good and Evil.

After a Halloween ritual gone awry, Madison finds herself trapped in Purgatory—or, as mortals like you and I know it, Earth. She can see and hear every detail of the world she left behind, yet she's invisible to everyone who's still alive. Not only do people look right through her, they *walk* right through her as well. The upside is that, no longer subject to physical limitations, she can pass through doors and walls. Her first stop is her parents' luxurious apartment, where she encounters the ghost of her long-deceased grandmother. For Madison, the encounter triggers memories of the awful summer she spent upstate with Nana Minnie and her grandfather, Papadaddy. As she revisits the painful truth of what transpired over those months (including a disturbing and finally fatal meeting in a rest stop's fetid men's room, in which . . . well, never mind), her saga of eternal damnation takes on a new and sinister meaning. Satan has had Madison in his sights from the very beginning: through her and her narcissistic celebrity parents, he plans to engineer an era of eternal damnation. For *everyone*.

Once again, our unconventional but plucky heroine must face her fears and gather her wits for the battle of a lifetime. Dante Alighieri, watch your back; Chuck Palahniuk is gaining on you.

### From reader reviews:

#### Scott Barbour:

Do you have favorite book? If you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world. Each e-book has different aim or maybe goal; it means that reserve has different type. Some people really feel enjoy to spend their time and energy to read a book. These are reading whatever they have because their hobby is actually reading a book. Consider the person who don't like studying a book? Sometime, man feel need book if they found difficult problem as well as exercise. Well, probably you should have this Doomed.

#### Priscilla McCreary:

Nowadays reading books become more than want or need but also work as a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book that improve your knowledge and information. The details you get based on what kind of book you read, if you want attract knowledge just go with education books but if you want really feel happy read one together with theme for entertaining such as comic or novel. The Doomed is kind of guide which is giving the reader unpredictable experience.

#### Terrance Bartholomew:

Are you kind of busy person, only have 10 or even 15 minute in your time to upgrading your mind proficiency or thinking skill also analytical thinking? Then you have problem with the book as compared to can satisfy your short space of time to read it because all of this time you only find publication that need more time to be examine. Doomed can be your answer as it can be read by an individual who have those short time problems.

#### Barbara Hall:

Many people said that they feel weary when they reading a publication. They are directly felt it when they get a half parts of the book. You can choose the particular book Doomed to make your personal reading is interesting. Your skill of reading talent is developing when you including reading. Try to choose very simple book to make you enjoy you just read it and mingle the impression about book and examining especially. It is to be 1st opinion for you to like to start a book and learn it. Beside that the e-book Doomed can to be your brand-new friend when you're experience alone and confuse with the information must you're doing of their time.
