In Motion: The Experience of Travel Tony Hiss

In this extraordinarily wide-ranging, insightful, and revelatory book, Tony Hiss—the much-praised author of *The Experience of Place*—delves into a unique and instantly recognizable (though previously undescribed) experience that can happen to us when we travel, a special understanding and ability that can leave us feeling exhilarated. He illustrates how throughout human history—from our ancestors walking upright for the first time to astronauts walking on the moon—we have repeatedly availed ourselves of this seemingly elusive quality, which he calls “Deep Travel.”

The sensation of Deep Travel can overtake us, Hiss says, whenever we tap into a sophisticated, wide-awake awareness we all possess. With a wealth of examples—from evocative accounts of his own journeys to celebrated travel writing across the centuries—Hiss identifies and rescues this powerful capacity and sets out simple techniques for accessing it no matter where we are.

And this is only a jumping-off point for an original and penetrating explanation of how Deep Travel radically alters our perception of not only where we are but also when we are, by placing us in an “extended present,” and how it acts as an open-sesame to enlarge and enrich the world around us. Going even further, he investigates how we can remain absolutely still but travel in time itself, as our horizons move backward to include layers of nature and human culture that have gone before, or project us forward to consider what our actions will mean to those who will inhabit our spot on earth a few generations from now.

Whether travel takes you around the corner or around the world, once you’ve read *In Motion*, no journey will ever feel the same.

From the Hardcover edition.

From reader reviews:

Florence Whitney:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to know everything in the world. Each reserve has different aim or goal; it means that guide has different type. Some people sense enjoy to spend their the perfect time to read a book. They are really reading whatever they take because their hobby is actually reading a book. How about the person who don't like examining a book? Sometime, man or woman feel need book whenever they found difficult problem or even exercise. Well, probably you should have this In Motion: The Experience of Travel.

April Hall:

Reading a guide can be one of a lot of exercise that everyone in the world loves. Do you like reading book so. There are a lot of reasons why people fantastic. First reading a book will give you a lot of new info. When you read a book you will get new information due to the fact book is one of several ways to share the information or maybe their idea. Second, reading a book will make anyone more imaginative. When you reading a book especially hype book the author will bring someone to imagine the story how the character types do it anything. Third, you can share your knowledge to other individuals. When you read this In Motion: The Experience of Travel, you can tells your family, friends and also soon about yours e-book. Your knowledge can inspire the mediocre, make them reading a book.

Billy Gallardo:

Playing with family inside a park, coming to see the coastal world or hanging out with buddies is thing that usually you might have done when you have spare time, then why you don't try thing that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love In Motion: The Experience of Travel, you can enjoy both. It is fine combination right, you still want to miss it? What kind of hangout type is it? Oh can happen its mind hangout men. What? Still don't understand it, oh come on its called reading friends.

Marjorie Thompson:

That publication can make you to feel relax. That book In Motion: The Experience of Travel was colorful and of course has pictures on the website. As we know that book In Motion: The Experience of Travel has many kinds or type. Start from kids until adolescents. For example Naruto or Private eye Conan you can read and think that you are the character on there. Therefore , not at all of book usually are make you bored, any it can make you feel happy, fun and loosen up. Try to choose the best book for yourself and try to like reading in which.
