*Ciro Alegría*

**Siempre hay caminos (Spanish Edition)** *Ciro Alegría*

Tres novelas cortas del autor de *El mundo es ancho y ajeno*.

Ciro Alegría fue el primer novelista peruano de alcance universal. Entre 1935 y 1941 publicó tres novelas que lo catapultaron a la atención internacional: *La serpiente de oro* (1935), *Los perros hambrientos* (1939) y *El mundo es ancho y ajeno* (1941). Con ellas se sentaron las bases del indigenismo en literatura y pusieron por primera vez la mirada en el mundo andino, rural e incluso amazónico, más allá de los tópicos superficiales y paternalistas. Los retratos poderosos de *Ciro Alegría* pretendían describir la existencia opresiva del campesino en los Andes, pero también señalar los rasgos distintivos de su cultura, sus drásticos valores, sus estrategias de supervivencia.

Alegría publicó en vida estas novelas y tal vez el éxito mediático, sus numerosas traducciones, la fama y, vamos a decirlo de una vez, la escasa repercusión económica que tuvieron para él, lo inhibieron de publicar más. Escribía sin cesar. Más que nada periodismo, para ganarse el sustento. Pero el impulso interior de la ficción no disminuyó, solo se hizo más exigente.

Las tres novelas cortas que se agrupan en esta primera edición digital bajo el título de una de ellas, *Siempre hay caminos*, quedaron inéditas a su muerte, en 1967. Las otras dos que reunimos en este volumen junto a la primera, *El dilema de Krausey* *El hombre que era amigo de la noche*, están inconclusas. Siempre se ha debatido el sentido -y pertinencia—de publicar obras sin el visto bueno de la versión final del autor. En este caso pensamos que el valor literario de estos relatos justifica ese acto. Los textos de las dos novelas inconclusas están lo suficientemente desarrollados como para hacer honor a la prosa de este escritor. Los personajes, escenarios y temas son capaces de capturar de inmediato la atención del lector y adentrarlo en sus respectivos universos.
