Lo stato e la politica (Farsi un'idea) (Italian Edition) Paolo Pombeni

Chi detiene il potere, chi lo controlla e chi lo rappresenta: questo è il nocciolo della politica, con il quale si sono confrontate, nel corso della storia, tutte le comunità umane. Se la questione è semplice, complessi sono invece i modi e i modelli della politica, perché ogni volta si sono trovate forme diverse, equilibri più stabili, meccanismi più raffinati. Questo libro ci narra, ricorrendo alla storia, e ci spiega, con l'ausilio del diritto e della scienza politica, l'evolversi delle regole del gioco. Conoscerle permette di possedere gli strumenti di base per capire la politica non più da semplici spettatori, ma da cittadini consapevoli.
