9. THE MYSTERIES OF ISIS: The Ancient Egyptian Philosophy of Self-Realization - There are several paths to discover the Divine and the mysteries of the higher Self. This volume details the mystery teachings of the goddess Aset (Isis) from Ancient Egypt- the path of wisdom. It includes the teachings of her temple and the disciplines that are enjoined for the initiates of the temple of Aset as they were given in ancient times. Also, this book includes the teachings of the main myths of Aset that lead a human being to spiritual enlightenment and immortality. Through the study of ancient myth and the illumination of initiatic understanding the idea of God is expanded from the mythological comprehension to the metaphysical. Then this metaphysical understanding is related to you, the student, so as to begin understanding your true divine nature.
