The Knife Thrower: and Other Stories (Vintage Contemporaries) Steven Millhauser

Included in this short story collection is "The Sisterhood of the Night", now a major motion picture. From the bestselling author of *Martin Dressler*, this volume explores the magnificent obsessions of the unfettered imagination, as well as the darker, subterranean currents that fuel them.

With the panache of an old-fashioned magician, Steven Millhauser conducts his readers from the dark corners beneath the sunlit world to a balloonist's tour of the heavens. He transforms department stores and amusement parks into alternate universes of infinite plentitude and menace. He unveils the secrets of a maker of automatons and a coven of teenage girls. And on every page of *The Knife Thrower and Other Stories*, Millhauser confirms his stature as a narrative enchanter in the tradition of Nabokov, Calvino, and Borges.
