The Return of the Rebel Angels: The Urantia Mysteries and the Coming of the Light Timothy Wyllie
Furtheres the revelations of *The Urantia Book*, providing a beautiful vision of our coming return to the Multiverse

- Offers angelic reassurance that “Armageddon has been canceled” and that the coming transition will be gentle and the future positive
- Explains Lucifer’s angelic rebellion, its impact on the past 200,000 years, and the transformation of consciousness on the horizon as the fallen angels return
- Shares the author’s spiritual wisdom gained through extensive travels and encounters with angels, ETs, and other enlightened beings

As recorded in *The Urantia Book*, two hundred millennia ago 37 planets, including our own, were quarantined from the rest of the Multiverse to quell the spread of the Lucifer rebellion within the angelic hierarchy. Now, after eons of isolation, the fallen angels have been forgiven and Earth’s connection with the Multiverse is being restored, initiating a massive transformation of consciousness as we reconnect with angelic guides, extraterrestrial beings, and our spiritual heritage as sacred vessels for God’s presence.

Providing an update to *The Urantia Book* through angelic transmissions he has received and remarkable spirits he has met, Timothy Wyllie investigates the underlying motives of the angelic rebellion and the impact it has had on our planet for the past 200,000 years. Offering a profoundly optimistic vision of the future and reassurance that the coming spiritual transition will be gentle, Timothy Wyllie describes his encounters with angels, ETs, and other enlightened beings around the world, including how he made contact with his own guardian angels, met the man who may have been Grand Master of the Priore de Zion, fell in love with a beautiful Cathar reincarnate in Provence, and officiated at the 1981 Conference in Spirit inside the Great Pyramid of Giza. He explores different planetary cosmologies, authentic extraterrestrial intelligence, entheogenic revelations, and the spiritual implications of the Holographic Paradigm, weaving together a coherent and provocative understanding of the current state of our planet within the larger context of a benevolent and caring Multiverse.
