Around Curwensville Julie Rae Rickard

Curwensville, one of the oldest towns in Clearfield County, began as a lumber town. Some of the area's finest families made their fortunes by harvesting the tall pine trees that were used as ship masts. The Irvin and Patton families were instrumental in the development of the town, as they brought the railroad to the area and contributed to the schools, banks, and a water system. In the 20th century, industries such as brick making, stone quarries, and tanneries became vital to the community. Bringing to life an era when every settlement was a stop on the railroad route, Around Curwensville is an exciting collection of historic photographs from Curwensville and surrounding towns, including Clearfield, Grampian, and DuBois.
