## **Hitler's Secret War in South America, 1939--1945: German Military Espionage and Allied Counterespionage in Brazil** Stanley E. Hilton

Published first in Brazil as *Suástica sobre o Brasil*, this examination of the rise and fall of German espionage in that country spent months on the best-seller list there and generated a national furor as former spies and collaborationists denounced it as a CIA ploy. Here, for the first time, are the colorful stories of such German agents as "Alfredo," probably the most important enemy operative in the Americas; "King," who was decorated for his daring exploits but who carelessly mentioned the real names of his collaborators in secret radio messages; the bumbling Janos Salamon; and the debonair Hans Christian von Kotze, who ultimately betrayed the Abwehr (German Military Intelligence).

Eminently readable, *Hitler's Secret War in South America* resembles, but is not, fiction. It describes in detail the Allies' real battle against the Abwehr, a struggle highlighted by the interception and deciphering of German radio transmissions.
