This 12-session Bible study for women “goes and tells what God has done” in the lives of real women in the church today. From alcoholism to postpartum depression to cancer, twelve different women generously share the story of God’s faithfulness in their lives for the consolation of their sisters in Christ. Each session begins with a scripture reading followed by a narrative of an individual woman’s real-life story. Eight study questions, designed for both personal and group study, help the reader apply the reading and narrative to her own life in Christ. A meditative hymn stanza and collect complete each session. The goal of this study is to encourage and build up the faith of our Christian sisters. Every woman sitting in the pew has a story to share of God’s faithfulness in her life, and women love nothing more than to hear a good story and to delight in the sisterhood of believers.
