## **The Laurel Saville Collection** Laurel Saville

This collection includes three books written by Laurel Saville: *Unraveling Anne*, *Henry and Rachel*, and *North of Here*.

### ***Unraveling Anne:***

In 1950s Los Angeles, Anne Ford was the epitome of the California golden girl, a former beauty queen and model-turned-fashion designer whose success and charm were legendary. So how is it possible that such a woman could die in squalor, an alcoholic street person brutally murdered in a burnt-out West Hollywood building?

In searching for answers to the heartbreaking trajectory of her mother's life, writer Laurel Saville plumbed the depths of Anne's troubled past and her own eccentric childhood to untangle the truth of an exceptional, yet tragic, existence. What she discovered was a woman who was beautiful, well-educated, and talented-yet tormented by internal demons and no match for the hedonistic culture of Southern California in the 1960s and 70s.

### ***Henry and Rachel:***

Brought to live with the George family as a child, all anyone knew about enigmatic Rachel was that she worked hard, making herself indispensable to the plantation. And she remained a mystery until the day she disappeared...even to her husband. Especially to her husband.

Henry was Rachel's opposite-gregarious where she was quiet, fanciful where she was pragmatic. After years of marriage, Rachel left Henry and their oldest son without explanation and set off on a steamer for New York City with their other four children. Was her flight the ultimate act of betrayal or one of extraordinary courage? Eight characters connected by blood and circumstance reconstruct Rachel's inexplicable vanishing act.

### ***North of Here:***

The sounds of unexpected tragedies-a roll of thunder, the crash of metal on metal-leave Miranda in shock amid the ruins of her broken family.

As she searches for new meaning in her life, Miranda finds quiet refuge with her family's handyman, Dix, in his cabin in the dark forests of the Adirondack Mountains. Dix is kind, dependable, and good with an ax-the right man to help the sheltered Miranda heal-but ultimately, her sadness creates a void even Dix can't fill.

## **About the Author:**

Laurel Saville is an award-winning writer. Her memoir, *Unraveling Anne*, originally published under the title *Postmortem*, won a Next Generation Indie Book Award and a Hollywood Book Festival award in 2011. A graduate of New York University, she also holds a master of fine arts degree in creative writing and literature from Bennington College in Vermont.
