**Janice Evans:**

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just small students that has reading's soul or real their passion. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this A Compendium of the Theory and Practice of Midwifery, Containing Practical Instructions for the Management of Women, During Pregnancy, in Labour, and in Child-bed. Illustrated by many cases, and particularly adapted to the use of students. can make you sense more interested to read.
