Czech Republic & Slovakia 1:500,000 Travel Map, 2014 edition

This is an excellent visitor's map of the Czech Republic and Slovakia sufficient for driving as well as travelling by public transportation.

Relief shading and spot heights show the countries' topography, with colouring for woodlands and a large number of names of geographical features such as mountain chains. National Parks are shown, as well as restricted entry military areas. Road network includes small local roads, gives driving distances on main and many secondary routes, and shows locations of petrol stations. Railway lines are included and local airports are marked. A range of symbols highlight various places of cultural and historical interest, campsites, sport and recreational facilities, etc.

The map is double-sided and includes insets with overview maps of major cities and a comprehensive place name index with post codes. Multilingual legend includes English. Folded size 9x5 inches. Made in the Czech Republic by local cartographers for both local users and visitors.
