Party Animals: A Hollywood Tale of Sex, Drugs, and Rock 'n' Roll Starring the Fabulous Allan Carr

Robert Hofler

Allan Carr was Hollywood's premier party-thrower during the town's most hedonistic era—the cocaine-addled, sexually indulgent 1970s. Hosting outrageous soirees with names like the Mick Jagger/Cycle Sluts Party and masterminding such lavishly themed opening nights as the *Tommy*/New York City subway premiere, it was Carr, an obese, caftan-wearing producer—the ultimate outsider—who first brought movie stars and rock stars, gays and straights, Old and New Hollywood together.

From the stunning success of *Grease* and *La Cage aux Folles* to the spectacular failure of the Village People's *Can't Stop the Music*, as a producer Carr's was a rollercoaster of a career punctuated by major hits and phenomenal flops—none more disastrous than the Academy Awards show he produced featuring a tone-deaf Rob Lowe serenading Snow White, a fiasco that made Carr an outcast, and is still widely considered to be the worst Oscars ever.

Tracing Carr's excess-laden rise and tragic fall—and sparing no one along the way—*Party Animals* provides a sizzling, candid, behind-the-scenes look at Hollywood's most infamous period.
