Shooting Victoria: Madness, Mayhem, and the Rebirth of the British Monarchy

Paul Thomas Murphy

Shooting Victoria: Madness, Mayhem, and the Rebirth of the British Monarchy Paul Thomas Murphy
From a hunchbacked dwarf to a paranoid poet-assassin, a history of Victorian England as seen through the numerous assassination attempts on Queen Victoria while she ruled the British empire.

During Queen Victoria's 64 years on the British throne, no fewer than eight attempts were made on her life. Murphy follows each would-be assassin and the repercussions of their actions, illuminating daily life in Victorian England, the development of the monarchy under Queen Victoria, and the evolution of the attacks in light of changing social issues and technology.

There was Edward Oxford, a bartender who dreamed of becoming an admiral, who was simply shocked when his attempt to shoot the pregnant Queen and Prince consort made him a madman in the world's eyes. There was hunchbacked John Bean, who dreamed of historical notoriety in a publicized treason trial, and William Hamilton, forever scarred by the ravages of the Irish Potato Famine. Roderick MacLean enabled Victoria to successfully strike insanity pleas from Britain's legal process. Most threatening of all were the "dynamitards" who targeted her Majesty's Golden Jubilee—signaling the advent of modern terrorism with their publicly focused attack.

From these cloak-and-dagger plots to Victoria's brilliant wit and steadfast courage, *Shooting Victoria* is historical narrative at its most thrilling, complete with astute insight into how these attacks actually revitalized the British crown at a time when monarchy was quickly becoming unpopular abroad. While thrones across Europe toppled, the Queen's would-be assassins contributed greatly to the preservation of the monarchy and to the stability that it enjoys today. After all, as Victoria herself noted, "It is worth being shot at—to see how much one is loved."

So you cannot find any in reading a guide especially this one. You can find what you are looking for. It should be here for a person. So , don't miss this! Just read this e-book sort for your better life and knowledge.

Courtney Osteen:

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Shooting Victoria: Madness, Mayhem, and the Rebirth of the

British Monarchy can make you experience more interested to read.
