Scandal surrounds Sofia Rogers, a woman in her early twenties, when it becomes obvious she is pregnant and unmarried. Yet nobody knows the real story. And Sofia isn't about to share it; she would rather bear the shame than face the threat of consequences. When Eli Trent, the new doctor in town, gets involved, the trouble escalates in the form of thievery, arson, and death threats. Nevertheless, Eli is determined to break down the wall of silence behind which Sofia hides her deep, dark secret. He is out to convince her she is not alone and to make her realize that trusting him—and her heavenly Father is the only thing that makes sense.
