Censored 2015: Inspiring We the People; The Top Censored Stories and Media Analysis of 2013- 2014

Every year since 1976, Project Censored, our nation's oldest news-monitoring group—a university-wide project at Sonoma State University founded by Carl Jensen, directed for many years by Peter Phillips, and now under the leadership of Mickey Huff—has produced a Top-25 list of underreported news stories and a book, *Censored*, dedicated to the stories that ought to be top features on the nightly news, but that are missing because of media bias and self-censorship.

A perennial favorite of booksellers, teachers, and readers everywhere, *Censored* is one of the strongest life-signs of our current collective desire to get the news we citizens need--despite what Big Media tells us.

From the Trade Paperback edition.
