"A very clever and impressive book of origami designs of military equipment. Great pictures, love the camo paper!" — Clermont County Public Library

Origami enthusiasts with a particular interest in weaponry will appreciate this unique book, which presents instructions for folding fourteen war machines: six jets, three missiles, and five ground vehicles.

Illustrated in full color, the step-by-step directions show how to assemble the models. Origami aircraft include a spy plane, strike fighter, and bomber, plus impaler, javelin, and harpoon missiles that can be mounted on some of the jets. Models of ground vehicles include the predator battle tank and guardian battle walker.
