Autobiographies II: Drums Under the Windows and Inishfallen, Fare Thee Well (Sean O'Casey autobiography Book 2) Sean O'Casey

'I thought that no man liveth and dieth to himself, so I put behind what I thought and what I did the panorama of the world I lived in - the things that made me.' Sean O'Casey, 1948

Sean O'Casey's six-part Autobiography, originally published between 1939 and 1955, is an eloquently comprehensive self-portrait of an artist's life and times, unsurpassed in literature.

Drums Under the Windows (1945) sees O'Casey's young (pre-writing) life taking shape amid the extraordinary tumult of Ireland in the early twentieth century, thus leading him into the fray of the Easter Rising of 1916. *Inishfallen, Fare Thee Well* (1949) charts the steps towards his emigration from Ireland in 1926: a move pressed upon O'Casey by his hard struggle against the restrictions and prohibitions wrought by Irish society, church and state.

Faber Finds is devoted to restoring to readers a wealth of lost or neglected classics and authors of distinction. The range embraces fiction, non-fiction, the arts and children's books.
