Masters of sex. La pareja que enseñó a América cómo amar (Spanish Edition) Thomas Maier

Las investigaciones en torno a la sexualidad del ginecólogo William Masters y la sexóloga Virginia Johnson supusieron toda una revolución en los años 60. Iniciaron sus estudios en secreto, en un pequeño laboratorio del Medio Oeste, y pronto se convirtieron en los mayores expertos en sexo de Estados Unidos. A lo largo de más de cuarenta años, a través de la observación directa de miles de encuentros sexuales entre cientos de hombres y mujeres, analizaron y explicaron temas hasta entonces tabú como los secretos del orgasmo, la homosexualidad, la satisfacción emocional o la disfunción sexual. Una mirada sin precedentes sobre el reservado William Masters y la ambiciosa Virginia Johnson. Entretenido y revelador, este libro revolucionario arroja luz sobre los eternos misterios del deseo y la sexualidad, y su complicado papel en la psicología colectiva.
