## **Home To Her Destiny**

She swept back into Destiny, Texas, no longer plain, awkward Hannah Morgan—but now sophisticated *Dr.* Morgan! Then one look from Dev Hart sent her right back into a teenage swoon. A definite problem since for the next several weeks they'd be living on the same ranch...

Hannah's combination of smarts and sweetness took Dev's breath away. And yet what he needed was someone to help him care for his little boy, not a city girl who would turn him inside out. Unless he could convince her that where she truly belonged wasn't the big city, but on the ranch...with him.
