Felix Coluccio

Devociones Populares Argentinas y Americanas (Spanish Edition) Felix Coluccio

Este libro no pretende ser un catalogo exhaustivo de los cultos y devociones populares argentinos y americanos. Estan los mas importantes y otros que no lo son tanto. La religiosidad popular los crea con rapidez, a veces sobre la base de un solo y dudoso milagro, y con la misma facilidad suele librarlos al olvido, a menos que arraiguen en el imaginario social, convirtiendose en mito y consolidando un rito. Registrar con precision esta dinamica seria una tarea ardua, que requeriria el trabajo de varias personas. Con todo, el presente libro cumple su proposito introduciendonos en esta curiosa veta de la cultura popular. Han elegido una objetividad periodistica, que encara los fenomenos desde distintos angulos, sin enjuiciarlos.
