Sushi for Beginners Marian Keyes

Lisa Edwards

This Prada-wearing magazine editor thinks her life is over when her "fabulous" new job turns out to be a deportation to Dublin to launch Colleen magazine. The only saving grace is that her friends aren't there to witness her downward spiral. Might her new boss, the disheveled and moody Jack Devine, save her from a fate worse than hell?

Ashling Kennedy

Ashling, Colleen's assistant editor, is an award-winning worrier, increasingly aware that something fundamental is missing from her life -- apart from a boyfriend and a waistline.

Clodagh "Princess" Kelly

Ashling's best friend, Clodagh, lives the domestic dream in a suburban castle. So why, lately, has she had the recurring urge to kiss a frog -- or sleep with a frog, if truth be told? As these three women search for love, success, and happiness, they will discover that if you let things simmer under the surface for too long, sooner or later they'll boil over.
