## **We Are All Crew** Bill Landauer

"This eye-popping page turner hits on all levels and will keep you up way past your bedtime...A coming of age thriller with imagination, guts, and soul."

--**EcoLit Books**

"Here we have a Huck Finn for our environmentally damaged age, lost on a river, and moving downstream with humane monsters and monstrous humans. *We Are All Crew* is hilarious and sad, slapstick and grotesque, fantastical, phantasmagorical, but never, ever just child's play."

--**Marlon James**, author of *A Brief History of Seven Killings*

"Two fourteen-year-old boys embark on a cross-country boat trip that becomes a romp through social anthropology in this hilarious, picaresque novel. But don't be fooled. Landauer's observations are as searing as they are funny, and each new twisted and isolated archipelago of a community they encounter resonates in its absurdity like a vision of the near future. *We Are All Crew* is a coming-of-age story for the boys, but perhaps, if we can channel Landauer's camouflaged optimism and his biting humor, for America as well."

--**Tim McLoughlin**, author of *Heart of the Old Country*

"The conjuration of an articulate risk taker has spun a tale and created a world infused with politics, 'correctness,' and irony that is witty and intelligent. Taking on serious subjects--environment, deforestation, global warming, and partisan hypocrisy--while addressing the various social networks, apps, video games, and rock-star super-shows, is a lot to handle. But Bill Landauer rises to the task to create a wonderful read. Just sit back and enjoy."

--**Rashidah Ismaili**, author of *Autobiography of the Lower East Side*

Two fourteen-year-old runaways hell-bent on reaching California end up aboard the *Tamzene*, a mysterious riverboat that runs on alternative fuel. Piloted by the enigmatic Dr. Seabrook, the *Tamzene* travels the waterways of a bizarre, fun-house image of the US. This is a satire that questions the sanity of our basic principles, as *Gulliver's Travels* did for eighteenth-century England.
